WHAT IS IN HERE?

MENTOR TEXT LIST: This list of suggested books works great for student texts or using in an Interactive Read Aloud.

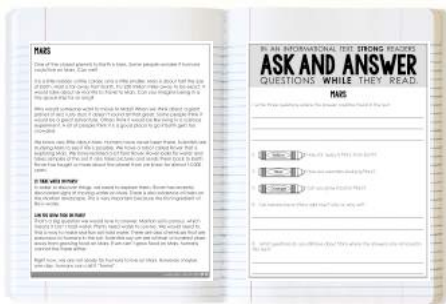

NOTEBOOK SUPPLIES: The notebook cover, tabs, chapter covers, and pockets are all included. Everything here fits perfectly into a notebook. It is all minimal prep and minimal cutting and pasting. You also have the option of print and go instead of notebook style.

READING BOOKMARKS: The bookmarks are a reminder to the student of how to apply the skills they are learning. It includes sentence prompts and questions they should think about while reading.

DIFFERENTIATED PASSAGES: There are three stories included. Each story is written at two differentiated levels for a total of six stories.

There are two question page options included. One is closely aligned to the 2nd grade standards. The other is more closely aligned to the 3rd grade standards. With both options, students must color text evidence to support their responses.

You can use the simplified text with the harder question page or vice versa. You have a range of differentiation options.

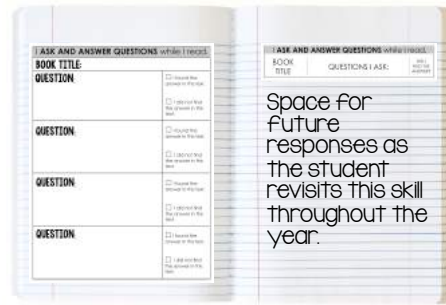

DIFFERENTIATED TASK CARDS: There are 24 task cards included. They are all tasks that include short texts to practice the skills. These work great in whole group lessons, partner work, or for individual student notebook responses.

The tasks are differentiated. The reading level and question prompts get more complex as you move from Task 1 to Task 24.

READING RESPONSE SHEETS: There are multiple structured reading response sheets included. Everything can fit perfectly into a reading notebook. There are additional quick prompts that fit on top of a notebook page. I recommend putting these in at the end of your unit and then asking students to return to these prompts throughout the year.
